USERS GUIDE

FIELD OF DREAMS THE KIWANIS FIELD

The Kiwanis Field is a result of a community partnership led by the Field of Dreams Committee. It is a unique facility on Halton District School Board lands that is financed through the revenue generated through use by the community. The partnership is built upon:

- A Halton District School Board contribution and financing of a loan for the facility construction
- The Town of Halton Hills overseeing community bookings and facility maintenance
- Community donors like Kiwanis Club of Georgetown, Holcim (Dufferin Aggregates) Saputo Incorporated, Johnson and Associates, Ontario Trillium Foundation and Others
- Commitment from the Georgetown Soccer Club and Halton Hill Football Association for a set level of field use and permit fees

Without the vision of the Field of Dreams Committee, and the ongoing commitment of field users, the project would not be successful!
